

Sprint 3 Report

SlugQuest by SlugQuest Team

February 28, 2024

Actions to stop doing

- Not managing time properly so development stalls

Actions to start doing

- Do more end-to-end testing
- Report bugs as they are found

Actions to keep doing

- Keep updating the Jira board

Work completed/not completed

Completed:

- Backend:
 - Friends support, recurrence
- Frontend:
 - Social page

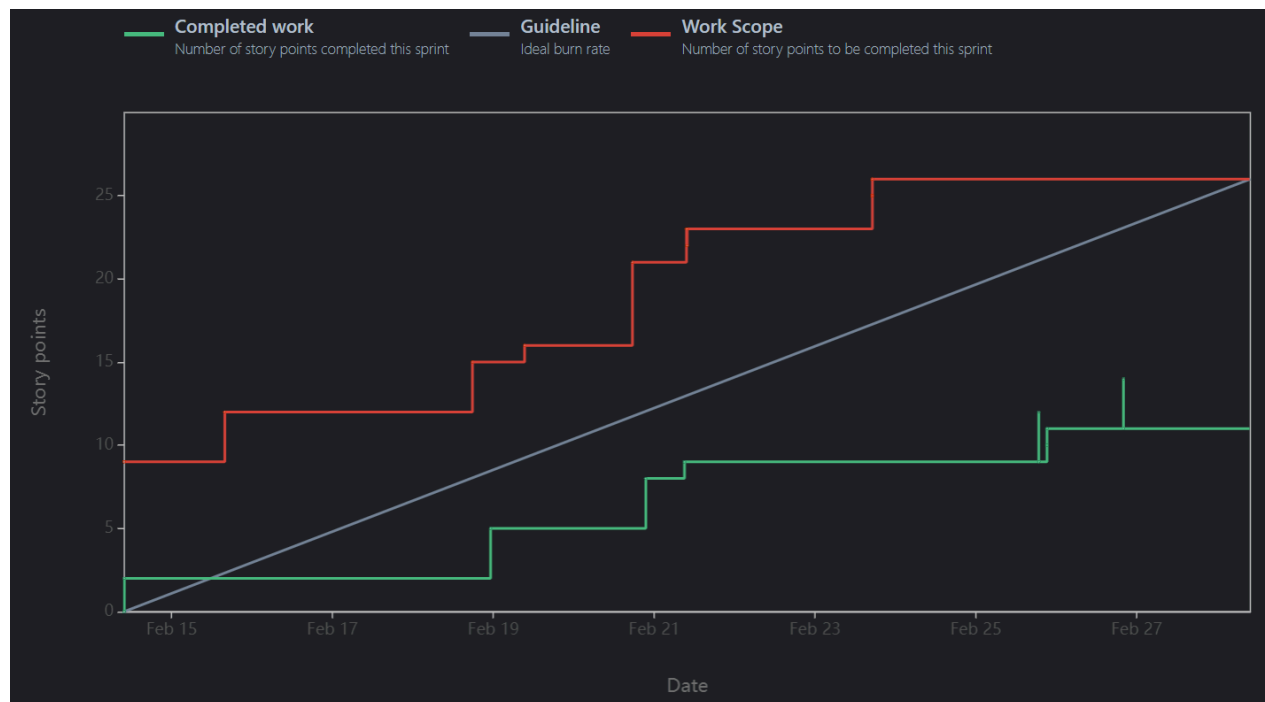

Not completed:

- Team view

Work completion rate

Burnup chart:

Story point chart (misleading: our tasks were in stories so their story points does not show on the chart)

Issue count chart (more accurate):
